April 2024 Newsletter

MESSAGE FROM THE PRESIDENT

Welcome to Spring 2024!

If this is your first season this year, we hope to have your jerseys by the end of the week. If not, check with your coach to see what color your player can wear for their first game on Saturday.

RHSC would not be what it is without so many dedicated volunteers showing up time and again through the years. Thank you to the volunteers who help coach, coordinate team rosters & sponsors, update our website and interact with our community, keep our fields play worthy and run the behind the scenes!

Mother nature has made us pivot more frequently these last few years. Aside from our participants, our fields are our biggest investment. We do our best not to close even one field for an entire season.

PRESERVING OUR FIELDS:

If it has been raining or rain is in the forecast, please check your email to see if fields are closed. We do our best to get e-mails out by 3 PM on weekdays and by 7 am on weekends. We also try to get signs hung on the gates ASAP...

RHSC APPAREL FUNDRAISER

[Here is the google form for online orders.](#) Select the item that you would like from the dropdown menu and then click next for sizing, color, etc.

Red Hook Stationery Co. is accepting cash and checks (payable to Red Hook Soccer Club) for apparel orders. Checks may be sent to PO Box 404, Red Hook. There are paper order forms in the shed as well if that is your preferred order method.

LOST AND FOUND

Missing something? Check the lost and found bin next time you are at the fields!

PRACTICE SCHEDULE

The Spring 2024 Practice and Game field schedule [can be found here](#). If you need help locating your field, please do not hesitate to reach out to your coach.

*Coaches - While the fields are open for practices, April showers bring May flowers! Please consider rain date practices or plan your practices with possible field closures in mind.

TRAVEL TEAM TRYOUTS

Tryouts for 2024-25 teams will be on May 1+2. Please plan on having your players attend at least one tryout. [Sign up here.](#)

MEMORIAL DAY WEEKEND

No games will be scheduled on Memorial Day Weekend - enjoy the break!

FIELD LINING SIGN UPS

Thank you for helping us keep the fields in shape! We still need many volunteers to sign up for regular weekly linings. Please sign up if you are able to. Our Operations Manager will need to assign volunteers to any leftover spots so that the field's lines remain visible.

Sign Ups for the field lining that occurs throughout the season [can be found here.](#)

We are in need of two volunteers responsible for hanging and monitoring the banners hung on our fence to make sure all zip ties are attached, banners are clean and visible.

Summer Nike Soccer Camp w/ Beestera Training

We are excited to announce that we will be offering a Nike Soccer Camp with Beestera Training this summer, running from July 8-12 and August 12-16.

Beestera coaching staff pride themselves on building confident, technically proficient players with the ability to make quick, well-informed decisions at match-tempo. Developing players' mental and physical capacity by providing the tools needed to reach their potential, and translating their love for the game with the passion and dedication in their applied training methods.

Goals of Camp: Campers will be challenged physically, cognitively, emotionally and socially in order to give them the most authentic experience possible.

Physical: Campers will become more competent and consistent in their technical soccer skills in areas such as dribbling, passing, and shooting by the end of the week.

Cognitive: Campers will become more "soccer literate" and be able to interpret various tactical situations in-game settings more efficiently.

Emotional: Campers will learn and demonstrate multiple ways to control their emotions while showing qualities such as resilience and perseverance in all activities which will result in higher self-esteem and self-confidence.

Social: Campers will learn to respectfully communicate with others while accepting their culture and individual differences through the use of our sport education curriculum model.
